

15 RUSTY WAY

Located at the eastern corner of the back row, Lot 15 is the smallest and cheapest lot in the park. Although being the cheapest, the lot is very easily accessible and is perfect for those not needing the size of other lots while still retaining the benefits of being located in the park.

INFORMATION ON TCIP

The Trans–Canada Industrial Park is the newest industrial park development in Western Manitoba and boasts 15 individual lots for purchase. Being located 3 miles west of Brandon, the area will see plenty of eastbound traffic allowing you to show off your brand. All lots will have natural gas and 3 phase power.

Front row lots allow for maximum visibility and easiest highway access. Back row lots are priced lower per acre.

Lots 9 and 13 also include proposed buildings.
